Absent/Apologies:

1. Chairman's - Welcoming Remarks

The Chairman welcomed all present back to the subsequent ZOOM VIDEO LINK of the evening.

2. Public Session

One resident in attendance and the discussion was focused on the news of the road improvement to Green Man Road from A15 to the curtilage of the village. The resident was concerned that the proposed widening and an improved surface would encourage HGVs and generally higher speeds along the road and therefore into village. Councillors advised that on previous occasions when LCC Highways had been approached they seemed reluctant to provide alternate routes and the Parish Council has little sway outside the village boundaries. The resident also reiterated the desire for more attention to be paid by the current builders on Green Man Road to the road verges and the vital encouragement for wild flowers to develop there.

3. To consider and sign the minutes from the previous Parish Council Meeting, held on Tuesday 6 April 2021.

It was proposed by Cllr Woollas and seconded by Cllr Gunning and therefore **RESOLVED** that the minutes from the previous Parish Council meeting, held on Tuesday 6 April 2021, should be accepted as a true record of the meeting.

4. To consider the financial report and authorise payments (Appendix A).

It was proposed by Cllr Gunning, seconded by Cllr Woollas and therefore **RESOLVED** that all expenses listed in Appendix A were authorised.

5. To consider updates from District/County Councillors.

Cllr Hagues was in attendance and confirmed with the Assistant Clerk that she was in receipt of the Newsletter she had sent to the Parish Office.

Cllr Overton was in attendance and confirmed with the Assistant Clerk that she was in receipt of the Newsletter she had sent the Parish Office.

She reported that the improvement to Green Man Road would cost in the region of £1.2 million and that following modifications to the LCC Highways infrastructure and increased budget this area of LCC had received the 2nd highest spend on maintenance.

Cllr Morris asked for a further update on the continued closure and blockage around Eleanor Gardens. Cllr Overton advised that she presented photographs of the problems to the Highways and Cllr Gunning requested her to complain again particularly as the current restrictions end in 2 weeks and the new restrictions for Phase 2 should be worded differently or the situation will become more acute. The councillors were agreed that Winton Road should be the route for construction vehicles access.

Cllr Morris requested Cllr Overton to amend her newsletter as it still shows that the Navenby Parish office is a Local Access Point for North Kesteven District Council when no subsidy is now received from NKDC for this function.

6. To consider updates from local police.

The Assistant Clerk advised that apart from receiving the normal monthly Police report nothing further had been received from the Police relating to any crimes specific to Navenby village.

7. To consider Planning Matters

Correspondence – no observations.

Tree Conservation - no observations.

8. To consider correspondence.

Actions arising from the correspondence received:

a. Cllr Overton has spoken to the residents and tree officers regarding the problems with the Sycamore trees on East road open space. Tree Officers insist they will not remove the trees, the residents say they are the wrong trees in the wrong position.

Action. The Chairman and Cllr. Woollas to draw up letter to Resident.

g. Cllr. McRitchie asked if the Council could offer more support to the School with their perimeter trees. Cllr Woollas confirmed that the trees are the School's responsibility and the Council does not hold a budget to cover the works required. Cllr Overton had discussed the matter with LCC but they advised that the Headmaster holds the budget to cover such works.

Action. The Chairman to write to the Headmaster.

k. **Action. Cllr Gunning to complete form for Valuation Office** in respect of Cemetery.

n. Following complaint from resident regarding excessive dog fouling in the Green Man Road/ High Dyke area there was discussion as to any further measures that could be taken to tackle the problem. Cllr Hall suggested that perhaps a new-look sign might have some effect.

9. To consider and approve the co-option of a new Parish Councillor.

As no confirmation had been received from North Kesteven District Council, prior to the meeting, that the Council was permitted to proceed with the co-opting of new members it was agreed that this matter would be deferred until the next monthly meeting in June. The Assistant Clerk was, however, requested to contact one applicant to check their length of residency.
