The Revd Michelle thanked the Council for the opportunity to update them regarding the Graffoe Care List initiative. She advised that the Care List was back up and running from the 11 Jan 21, albeit with less volunteers. Uptake of the service was reduced and mainly due to the increase in online shopping etc. All worship was suspended. The roof fund raising for Navenby Church had stopped once again, but there continued to be efforts in respect of sourcing a suitable alternative for the lead work that was acceptable with the building Grade 2 listing. Cllr Overton expressed her thanks to the Revd Michelle and her volunteers for all their hard work over the last 10 months.

3. Apologies for absence and declarations of interest in accordance with the requirements of the Localism Act 2011. Consider any applications for dispensations in relation to disclosable pecuniary and/or prejudicial beneficial interests.

5. To consider the financial report and authorise payments (Appendix A).

Discussion took place regarding the transactions listing presented for the month of December 2020. It was proposed by Cllr Gunning, seconded by Cllr Burt and therefore **RESOLVED** that all expenses listed in Appendix A were authorised.

6. To consider updates from District/County Councillors.

Cllr Hagues was in attendance and confirmed with the Clerk that she was in receipt of the Newsletter she had sent to the Parish Office on the 4 Jan 21. Topics covered within the Newsletter included completion of the Lincoln Eastern Bypass, County Lines & the BE SCAM AWARE initiative.

Cllr Overton was in attendance and confirmed with the Clerk that she was in receipt of the Newsletter she had send the Parish Office on the 9 Jan 21. Topics covered within the Newsletter included COVID 19, GRANTS for local business, Council Funding & Elections.

FY 21/22 PRECEPT submission – Cllr Gunning advised Cllr Overton that NKDCs calculations for this year’s PRECEPT tax base did not appear to take into account the new houses that had been built & occupied in the last year on the Top Farm Estate. If residents were being charged the PRECEPT – who would receive this funding until such times as it was brought into the tax base for NPC to claim against? After discussion, it was agreed that Cllr Overton would contact NKDC and check that they had included all new houses and let NPC know the outcome prior to the 29 Jan 21.

Action: Cllr Overton to contact NKDC regarding the tax base calculation for the FY 21/22 PRECEPT submission.

Headland Way development road closure issues – Cllr Morris appraised Cllr Overton of the ongoing issues with the now permanent closure of the road. Of particular concern was the possible access issues for emergency vehicles and the bad weather causing problems on Winton Road for all of Headland Way in and out traffic. Cllr Morris advised that RIPPON have gone back on their word, having previously promised back in Feb 20 that the road would be

open in the evenings and at weekends. Cllr Overton advised that she would contact the Planning Enforcement Officer and see if she could organise a visit to the Site.

Action: Cllr Overton to contact the Planning Enforcement Officer regarding the Headland Way road closure and arrange a visit to site.

Action: Cllr Overton to advise NPC of the outcome of her meeting with Highways in respect of Navenby Projects.

7. To consider updates from local police.

The Chairman thanked PC Matt Roberts for taking the time out to attend the meeting. Cllr Gunning asked PC Roberts to advise on what crime was taking place in Navenby as it was proving difficult to determine that from the limited information on the monthly reports. PC Roberts advised that crime within in the village was low and the only recent issue had been that of drugs. However, he was happy to investigate further and provide an individual report. Cllr Gunning expressed concern about the time it takes to report crime. PC Roberts advised that if the crime is in progress – then you must ring 999. Hare coursing is to be reported via 101, unless firearms are involved and then it should be 999. COVID 19 and neighbourly disputes continue to take up a lot of manpower. Unfortunately, due to manning constraints they were unable to patrol rural areas and could only respond to reports of rural crime.

Action: PC Roberts to provide NPC with a separate report detailing crime happening within Navenby village.

8. To consider Planning Matters

e. New Anglian Water (AW) Pipeline Site meeting = Cllr Gunning confirmed that himself & Cllr McRitche had attend the site meeting with AW that morning. Under a Water Act Order, work had to commence within 3 months and would take between 6-9 months. AW confirmed that they were in discussion with Calder & Son (current tenant of the Parish Field) and would continue to liaise whilst they were working on that segment of the pipeline. No road closures were planned, and vehicular access would be from one central compound. Cllr Gunning suggested that AW be given an out of hours NPC point of contact.

Action: The Clerk to note that the payment of an easement by AW directly to NPC in respect of the Parish Field, would be in FY 22/23.

10. To consider & approve the PRECEPT for FY21/22.

Discussion took place regarding the Options Cllr Burt had forwarded to Council members for their considerations. It was agreed that it would be best to stick with the current proposed budget, reduce the current account surplus to maintain FY 21/22's Band D Tax at FY 20/21's level and then use FY 20/21's over allocation to subsidise FY 21/22's Precept bid. The latter would result in a decrease of 7.16% for the residents. It was proposed by Cllr Gunning and seconded by Cllr Woollas and therefore RESOLVED that NPC would submit a PRECEPT request for £68,962 for FY 21/22.

Actions: Cllr Burt to check the PRECEPT submission prior to the Clerk forwarding to NKDC. The Clerk to submit the PRECEPT to NKDC by the 29 Jan 21.
